Al-Anon Family Group Meetings

At Al-Anon Family Group meetings, the friends and family members of problem drinkers share their experience, strength, and hope. They learn how to [apply](#) the principles of the Al-Anon and Alateen programs to individual situations. They learn that they are not alone in the problems they face, and that they have choices that lead to greater peace of mind, whether the drinker continues to drink or not...

THE TWELVE STEPS
1. We admitted we were powerless over alcohol that our lives had become unmanageable.
2. Came to believe that a power greater than ourselves could restore us to sanity.
3. Made a decision to turn our will and our lives over to the care of God, <i>as we understood him</i> .
4. Made a searching and fearless moral inventory of ourselves.
5. Admitted to God, to ourselves, and to another human being the exact nature of our wrongs.
6. Were entirely ready to have God remove all these defects of character.
7. Humbly asked Him to remove our shortcomings.
8. Made a list of all persons we had harmed, and became willing to make amends to them all.
9. Made direct amends to such people wherever possible, except when to do so would injure them or others.
10. Continued to take personal inventory and when we were wrong promptly admitted it.
11. Sought through prayer and meditation to improve our conscious contact with God <i>as we understood Him</i> , praying only for knowledge of His will for us and the power to carry that out.
12. Having had a spiritual awakening as the result of these steps, we tried to carry this message to others, and to practice these principles in all our affairs.
Our three Legacies are:
Steps, Traditions, and Concepts.
